

# Alape<sup>˘</sup>

A˘system init

Räume sind Ausdruck der eigenen Persönlichkeit. Sie ermöglichen die Einheit von Mensch und Gestaltung, von Individualität und Lebenswelt.

— Rooms are an expression of our own personality. They allow a union of man and design, individuality and living environment.

— Les pièces sont l'expression de ce que nous sommes. Elles réunissent l'homme et le design, la personnalité et le cadre de vie.

Jeder Mensch hat seinen eigenen Charakter, der in der Gestaltung seiner Lebenswelt formgebend zum Ausdruck kommt.

— Every person has their own character, which is expressed in the way they design the environment they live in.

— Chaque homme est doté d'une personnalité unique, qu'il exprime pleinement dans l'agencement de ses espaces de vie.

Ästhetische Lösungen von Alape sind vielfältig wie die Menschen selbst, unverwechselbar wie ihr Charakter und individuell wie sonst nur ihr Stil.

— Aesthetic solutions from Alape are as diverse as people themselves, as unmistakable as their character and as individual as otherwise only their style is.

— Tout comme les hommes, les solutions esthétiques proposées par Alape sont multiples, uniques par leur caractère et personnelles à l'image de leur style.

Äsystem init ist das modulare Möbelprogramm für Alape Waschbecken in reduziert puristischer Form. Es bietet eine Vielzahl an Möglichkeiten den Waschplatz ganz persönlich zu gestalten.

— Äsystem init is the modular furniture programme for Alape basins that pursues a minimalist and purist design style. It is designed to open up a range of possibilities for creating unique washplaces that have a personal touch.

— Äsystem init est une gamme de meubles modulaires destinée aux vasques Alape et de style minimaliste et épuré. Elle offre de nombreuses possibilités d'aménagement personnalisé du plan de toilette.

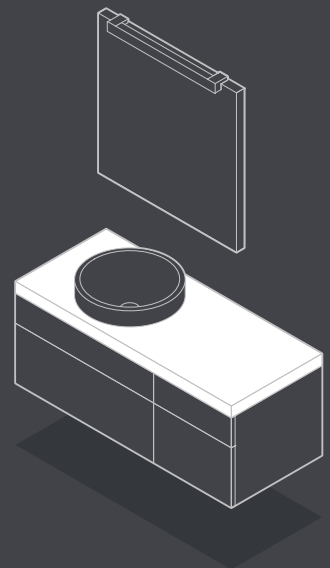

# So funktioniert A'system init

## How A'system init works

### Mode de fonctionnement d'A'system init

1

Trägerplatten  
Counter tops  
Plans

Wählen Sie Ihre Trägerplatte aus Glas, Naturstein, Holzdekor oder Echtholz furnier. Jede hat ihre spezifischen Eigenschaften und steht in unterschiedlichen Oberflächen zur Wahl.

— Choose your counter top from glass, natural stone, wood effect laminate or real wood veneer. Each counter top has its own special properties and is available in various surfaces.

— Nous proposons des plans en verre, en pierre naturelle, avec finition bois ou placage en bois véritable. Possédant chacun des caractéristiques propres, chaque matériau est disponible en différentes variantes de surfaces.

2

Becken  
Basins  
Vasques

Gefertigt aus glasiertem Stahl, stehen insgesamt 60 Einbau-, Unterbau-, Aufsatz- und Schalenbecken zur Integration in die ausgewählte Trägerplatte bereit.

— A total of 60 built-in, undermount, sit-on and dish basins – all manufactured from glazed steel – are available for you to integrate into your chosen counter top.

— Notre gamme comprend au total 60 modèles de vasques à encastrer par le dessus ou par le dessous, à poser et de vasques-bols qui s'intégreront parfaitement à votre plan et sont fabriqués en acier vitrifié.

3

Möbel  
Furniture  
Meubles

Stellen Sie passend zu Trägerplatte und Becken Ihr Möbel zusammen. Die wandhängenden Module sind in vier Breiten, vier Höhen und zwei Tiefen verfügbar.

— Put together your furniture appropriate for the counter top and basin. The wall-hanging modules are available in four widths, four heights and two depths.

— Composez votre mobilier assorti au plan et à la vasque. Les modules suspendus au mur sont disponibles en quatre largeurs, quatre hauteurs et deux profondeurs.

4

Weitere Möbel  
Additional furniture  
Autres meubles

Ergänzen Sie auf Wunsch weitere Möbelmodule, Ablagen, Sideboards und Hochschränke sowie funktionales Zubehör.

— Upon request, you can add on additional furniture modules, shelves, sideboards and tall cabinets, as well as functional accessories.

— Complétez votre mobilier au choix avec d'autres modules de meubles, surfaces de rangement, dessertes, armoires colonnes ainsi que des accessoires fonctionnels.

5

Oberflächen  
Surfaces  
Surfaces

Becken, Trägerplatten und Möbel sind in diversen Oberflächen und Farben erhältlich. Einen Überblick über die gesamte Vielfalt erhalten Sie im hinteren Ausklapper.

— Basins, counter tops and furniture are available in various surfaces and colours. You can gain an overview of the entire range in the rear fold-out section.

— Les vasques, plans et meubles sont disponibles avec diverses surfaces et couleurs. Le rabat arrière présente un aperçu de la diversité de notre gamme.

6

Spiegel / Leuchten  
Mirrors / Lighting  
Miroirs / luminaires

Mit der Auswahl an Spiegeln und Leuchten runden Sie das Erscheinungsbild Ihres Waschplatzes ab.

— The selection of mirrors and lights enables you to round off your washplace's outward appearance.

— Vous trouverez parmi notre sélection de miroirs et de luminaires le complément idéal à votre plan de toilette.

Trägerplatten Glas satiniert, graubraun / Unterbaubecken EB.R800 / Möbel Holzdekor Walnuss mit Handtuchhalter HTH.450.S1 / Spiegel SP.2 mit Leuchten LE.3 — Counter top made of satined glass, green grey / Undermount basins EB.R800 / Furniture made of wood effect laminate, walnut, with towel rail HTH.450.S1 / Mirror SP.2 with light LE.3 — Plans verre satiné, brun gris / Vasques à encastrer par le dessous EB.R800 / Meuble décor bois noyer avec porte-serviette HTH.450.S1 / Miroir SP.2 avec luminaires LE.3

## Trägerplatten Counter tops Plans

Trägerplatten aus Naturstein, Glas, Holzdekor oder Echtholz furnier bilden die Basis zur Integration der Becken. Sie werden in zwei Tiefen angeboten und lassen sich in Holzdekor und Echtholz furnier auch als Ablage unter Möbelmodulen montieren. Funktionsplatten sind mit einer Stärke von 150 mm besonders für die Aufnahme zusätzlicher Funktionen geeignet.

— Counter tops made from natural stone, glass, wood effect laminate or real wood veneer form the basis when you want to integrate your basin. The tops are available in two depths, and you can mount them in wood effect laminate or real wood veneer also as shelves underneath furniture modules. With their thickness of 150mm, functional tops are suitable particularly for accommodating additional functions.

— Les plans en pierre naturelle, verre, finition bois ou placage en bois véritable constituent la base d'intégration des vasques. Proposés en deux profondeurs, avec finition bois ou placage de bois véritable, ils peuvent également être montés sous les modules de meubles pour servir de surfaces de rangement. D'une épaisseur de 150 mm, les plans fonctionnels avec placage en bois véritable ou finition bois conviennent particulièrement bien à l'intégration de fonctions complémentaires.

## Becken Basins Vasques

Gefertigt aus glasiertem Stahl stehen in A`system init insgesamt 60 unterschiedliche Becken als Einbau-, Unterbau-, Aufsatz- und Schalenbecken zur Verfügung. Kategorisiert nach Einbauart bietet sich eine breite Formenvielfalt, die in Kombination mit Trägerplatte und Möbel eine harmonische Einheit bilden.

— A total of 60 different built-in, undermount, sit-on and dish basins – all manufactured from glazed steel – are available for you in A`system init. Categorised according to installation type, the range includes a wide choice of shapes, which combined with the counter top and furniture form a harmonious unit.

— La gamme A`system init comprend au total 60 modèles de vasques à encastrer par le dessus ou par le dessous, à poser et de vasques-bols qui sont fabriqués en acier vitrifié. À chaque type d'encastrement correspond une grande diversité de modèles ronds, ovales, carrés et rectangulaires.

## Spiegel und Leuchten Mirrors and Lighting Miroirs et luminaires

Kein Badezimmer wäre komplett ohne den passenden Spiegel und die passende Beleuchtung. Auch für diese beiden Bereiche bietet Alape hochwertige Produkte, die sich nahtlos in das Design des Waschplatzes einfügen.

— No bathroom would be complete without a matching mirror and adequate lighting. Also when it comes to these two areas, Alape offers high-quality products which merge seamlessly into the design of the washplace.

— Aucune salle de bain ne serait complète sans le miroir et les luminaires assortis. Dans ces deux domaines aussi, Alape propose des produits de grande qualité qui s'intègrent parfaitement au design du plan de toilette. Les largeurs personnalisées et les luminaires combinables à volonté offrent une grande liberté de configuration.
